

REQUEST FOR EXPRESSIONS OF INTEREST

INDONESIA

National Urban Development Project (NUDP)

IBRD Loan No. P163896

Assignment Title: System Development for National Urban Development Project (NUDP)

Reference No. ID-SUPD II-277656-CS-QCBS

The Government of Indonesia has received financing from the World Bank toward the cost of the National Urban Development Project (NUDP) and intends to use part of the proceeds for consulting services to be procured under component program: System Development for National Urban Development Project (NUDP).

In particular, the main objective of this consultancy could be scrutinized further into three specific objectives as the following:

1. Develop the methodology and the framework to measure the degree of alignment between planning documents across types and government levels. The analysis should refer to the laws and regulations related to the procedures of regional development planning in Indonesia. In addition to that, the methodology should abide to the detail description provided in the next section.
2. Develop a data warehouse for spatial and aspatial development planning documents. The analysis described on (1) above will be pulling information from an integrated database of spatial and aspatial development planning documents. All of these documents should be collected, especially for the pilot regions, through an information system-based integration mechanism. However, for documents that have not been digitized, there will be a mechanism for normalization and data structuring, so that the data can be analysed in database and in spatial form where applicable.
3. Develop an interactive web-based solution as part of SIPD-Bangda to implement objective (1) and (2), aiming for automation of the process. The solution should contain the functionality to share data and analysis results, such as the Application Programming Interface (API), to be able to inform and connect with other information systems including CIP, while ensuring its security.

The Services is expected to be carried out within twenty-four (24) months with the expected commencement of the Services is in December 2022.

The detailed Terms of Reference (TOR) for the assignment, is available at the following link <https://bit.ly/3R99SWo>.

Further information can be obtained by email at systemdevelopmentNUDP@gmail.com

The Procurement Team now invites eligible Consultants to indicate their interest in providing the Services. Interested Consultants should provide information to demonstrate that they have the required qualifications and relevant experience to perform the Services such as

brochures/company profile (indicating the core of business and technical resources) and description of similar assignments (including location/country, name of the Client, type of services provided, contract amount, and period of contract, including the starting and completion date).

The shortlisting criteria are:

1. Experience in projects with intersections in digital innovation related to regional development for at least 5 years
2. Extensive experience in regional planning analysis, preferably in Indonesia for at least 5 years
3. The firm should have similar experience in information system development for at least 5 years.
4. Had previously worked with government institutions, preferably in Indonesia
5. Have skills related to information systems especially, network management and security
6. Possess outlook in scalable system with multi-national experience.
7. Must be tax orderly as evidenced by tax reporting for the last 2 years, (this requirement is only applicable for National/Indonesian Consultant).

The consultant may add list of its experts but should note that all experts' qualifications will not be evaluated at the shortlisting stage.

The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" July 2016 Revised November 2017 and August 2018, setting forth the World Bank's policy on conflict of interest.

Consultants may choose (but not mandatory) to associate with other firms (max. 3 firms) including the lead firm, in the form of a joint venture to enhance their qualifications or a sub-consultancy to support their Services.

In such case, the expression of interest ("EOI") must explicitly specify whether the association is in the form of a joint venture and/or sub-consultancy. In the case of joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected. The lead firm and other members firm appointed to represent the joint venture must be clearly identified. Only qualifications and experience of members of joint venture, but not of sub-consultants, shall be considered in the EOI evaluation process

Consultant will be selected in accordance with the Consultants Quality and Cost-based Selection (QCBS) method as set out in the applicable World Bank's Procurement Regulations.

Further information can be obtained at the address below during office hours (09:00 to 16:00 Jakarta Time UTC +7).

Expressions of interest must be delivered in a written form by email systemdevelopmentNUDP@gmail.com by 27 September, 2022
